

# Past Projects

Pontes Mannies Consult Limited

PROJECT	CLIENT
Construction of loading gantry including drains and trenches	NIPCO
Engineering and Fabrication of wellhead Control Panel	AFREN
Installation of custody transfer station at Tura manifold	GFD
Installation of well head Conductor Support	Oriental Energy
Engineering design for alternative crude connection Monitoring	BHP Energy
Pigging Facility Upgrade Project: 3D laser Scanning and fabrication assurance services for al fabricated spools.	ExxonMobil
JV fire water upgrade Replacement Project: Generate entire firewater line from laser point cloud data	ExxonMobil

# Past Projects Cont'd

Pontes Mannies Consult Limited

PROJECT	CLIENT
Engineering, Procurement and installation of 2.5HP Solar Powered Borehole	NPDC
Electrical As Built for Amukpe facilities	Seplat/Montego
Procurement and Installation of Variable Frequency Drive Obodo Flow station	Conoil
Asset Integrity Management for Umusadgede Fields	Midwestern Oil and Gas (MWOOG)
Feasibility /Project Inception Report for Ondo Modular Refinery	Ondo State Government
Vibration Analysis for Rotating Equipment and Thermography for Generators, Transformers and Electrical Panels Afiesere OML 30	Heritage/Swass Energy
Procurement and Installation of Valve Interlock	Seplat Energy

# Past Projects Cont'd

Pontes Mannies Consult Limited

PROJECT	CLIENT
Ofrima Udele Pre FID - 14inch export line, 6inch gas lift line, 8inch export line, 6inch fuel gas line and a 4 and 6inch flexible riser	Deltaafrik/Addax
Risers Installation of Dangote Refinery Pipelines - Lagos	CMES
EPCI of 12" x 13.8 Km multiphase export pipeline between AMD2 & IKD1	Deltaafrik /Total
Oredo Flowstation upgrade OML 111	NPDC
Design of Cathodic Protection System for Oben	RofCom/Seplat
Structural Integrity for a wellhead Platform	DAMAS
